### Why are you a member of Bournemouth 2026 Trust?

Trust events allow us to make connections with other like-minded organisations and to raise our charity's profile within Bournemouth. Working with other groups who share our desire to make Bournemouth an even safer, better place in which to live is motivating and, on a practical level, facilitates co-operative working between organisations with similar aspirations.

### What does the Trust do for you as a member that you find valuable?

Bournemouth 2026 Trust provides invaluable opportunities to share best practice with, and to learn from others in the voluntary, public and private sectors and to explore ways in which we can work together for the good of the whole community.

### How do you see Bournemouth 2026 Trust being of value to Bournemouth?

Having a locally-based independent organisation committed to improving the lives of residents by identifying where changes are needed is an enormous benefit to the town. Bournemouth is a brilliant place to live and knowing that the Trust is working tirelessly to make it even better is a wonderful thing.
